AETHER AUCTIONS

GET READY, THE EASY WAY

Estate prep *checklist*

A simple page to keep beside you while you get ready. Tick things off as you go — and leave everything else to us.

You don't sort. You don't discard. You don't clean. *That's our job.*

01 BEFORE WE ARRIVE

the only three things that matter

- [ ] **Set aside what you plan to keep**, along with any personal documents.
- [ ] **Leave the rest as it sits** — we evaluate, sort, and organize on site.
- [ ] **Ask about anything you're unsure of** before it goes; an item's interest may not be obvious.

02 FOR YOUR CONSULTATION

- [ ] The **location** of the property, and who to reach on the day.
- [ ] The **type of property or collection** — estate, downsizing, specialty collection, or business.
- [ ] Your **preferred timeline** and any dates we should work around.
- [ ] A short list of **questions you want answered**.

03 COLLECTIONS & APPRAISALS

- [ ] **Provenance or documentation** for art, antiques, or collectibles — receipts, letters, catalogues, anything with history.
- [ ] **The purpose of an appraisal**, if you'd like one — availability, scope, qualifications, and fees are confirmed during consultation.
